Paolo Nicola Corallini Shihan - 7° Dan Aikikai

Paolo N. Corallini is the President of Takemusu Aikido Association Italy (T.A.A.I.). He started Aikido in April 1969 under the guidance of Motokage Kawamukai Sensei, Hirokazu Kobayashi Sensei and André Noquet Sensei, who appointed him, in 1981, as President and Technical Director of Unione Italiana Aikido – a division of the Union Européenne d'Aikido in Italy. In the same year Paolo Corallini wrote his first book on Aikido. He followed Nobuyoshi Tamura Sensei in France closely during this period. In 1984, wishing to meet Morihiro Saito Sensei and visit the dojo where the Founder created and defined Aikido, Corallini went to Iwama. This was his first enchanting meeting with Morihiro Saito Sensei. Immediately Paolo Corallini became aware that the training method in Iwama dojo followed the traditional methods of the Founder. Then, from that moment he decided to devotedly follow Morihiro Saito Sensei. Since that time he has been to Japan as uchi deshi (direct, live-in student) 25 times to train with his Sensei. On February 1985 Corallini invited Morihiro Saito Sensei to Italy for the first seminar. This was the first time Saito Sensei was in Central Europe. From that year, Corallini followed Morihiro Saito Sensei everywhere, and invited him to Italy for seminars each year. In 1985 Corallini Sensei created the IWAMA TAKEMUSU AIKI ITALY, an association of dan (black belt) ranked Aikidoka that trained under Saito Sensei faithfully. In 1988 he received 5th dan Takemusu Aikido from Saito Sensei, and also the 5th Buki Waza Mokuroku (weapons rank) as well as the authorization to give Tai-Jutsu (body techniques) and Buki Waza (weapons techniques) dan ranks. He was also appointed by Saito Sensei as direct Representative in Central and Southern Europe. In March 1993 Saito Sensei awarded Paolo Corallini 6th dan and the Shihan title in Iwama. He subsequently received 6th dan Aikikai. Corallini Sensei directs many seminars in Italy and foreign countries such as Germany, Scotland, Switzerland, France, Portugal, Austria, England, Bulgaria, Croatia, Slovenia, Rep. of South Africa, Spain, Denmark, Sweden and Lebanon each year. Morihiro Saito Sensei gave 7th Dan Iwama Ryu to his representatives Paolo Corallini and Ulf Evenäs on May 25th, 2001. In the year 2006 Paolo N. Corallini, together with Ulf Evenäs founded the Takemusu Aikido Kyokai (T.A.K.). On January 9th 2011 Paolo N. Corallini Shihan receives the 7th dan Aikikai directly by Moriteru Ueshiba, Aikido Doshu.

Mark Van Meerendonk - 6° Dan Aikikai

He started Aikido in 1976 Budokan, Frankfurt under Volker Stanzel who is now the ambassador of the Federal Republik of Germany in Japan. Volker knew Morihiro Saito Sensei a longtime and close Deshi of O'Sensei. Saito Sensei was the only teacher, who preserved during all his lifetime the original and traditional weapons techniques (with Bokken and Jo) and body techniques as taught by O'Sensei in Iwama between 1946-1969. In 1981 Ute and Mark departed to Japan and stayed in Iwama as uchideshi for 15 months. This time influenced their life significantly. 1983 -1984 again Ute and Mark stayed and trained in Iwama, at that time being Sotodeshi (living outside the dojo, training inside the dojo) After returning back to Germany Mark and his wife Ute started to teach traditional Aikido in Frankfurt. Today they are running a small Dojo in Schwickartshausen, Germany. Saito Morihiro visited the Dojo on a yearly base since 1987 and conducted remarkable seminars. Since that Mark and Ute are conducting monthly seminar and Uchideshi or Gasshuku Trainings regularly.
